INDEX TO VOLUME LII

OCTOBER 1958 — MAY 1959

The present Index, following in general the plan in use since Volume XLVII (1953-54), exhibits separately (I) *Contributors*; (II) *Contents*, arranged with reference to the main types of material appearing in this periodical (Articles, Notes, Miscellanea; Reviews; Special Departments; Notes and News; Books Received); (III) *Subject Index*, in which an attempt has been made to classify this material according to the divisions employed in the stand-

ard annual bibliography of classical studies, J. Marouzeau and J. Ernst, *L'Année Philologique* (latest issue Vol. XXVIII [bibliography of 1957]; Paris: Les Belles Lettres, 1958); IV *Advertisers*.

Certain conventions, e.g., in II, 2 (Book Reviews) and in III (Subject Index), that of indicating reviewers by enclosing their names in parentheses immediately after the designation of books reviewed, will be familiar from earlier volumes.
